

## Seminar Presentations of Adhoc Staff of CNC

Venue: CNC

Time: 3:30 pm

| Sl No | Slot | Name              | Date              | Topic  |
|-------|------|-------------------|-------------------|--|
| 1.    | E5   | Sreenath A        | October 21,2013   | Next Generation Firewalls                            |
| 2.    | E14  | Abdul Basheer P   | October 23,2013   | Advanced Memory Technologies                         |
| 3.    | E13  | Aravind Vasudevan | October24,2013    | Driver Less Car Project By Google                    |
| 4.    | E11  | Vipin Chandran P  | October 29,2013   | Light Fidelity Technology                            |
| 5.    | N9   | Nikhil K          | november 01,2013  | Wireless Charging of Mobile Phones – Using Microwave |
| 6.    | N7   | Arun M V          | November 05,2013  | Content Centric Networking For Mobile Phones         |
| 7.    | E1   | Mrudul Shyam P    | November 08 ,2013 | Wireless Electricity                                 |
| 8.    | N1   | Reshma R          | November 12,2013  | 5 g wireless system                                  |
| 9.    | E8   | Jithin M J        | November 15, 2013 | Near Field Communication(NFC)                        |
| 10.   | E2   | Suma N M          | November 19, 2013 | Surface Computing                                    |
| 11.   | E12  | Rejishma K C      | November 22, 2013 | Green Computing                                      |
| 12.   | N5   | Midhun K G        | November 26, 2013 | Google Glass   |
| 13.   | N8   | Arun Mohan        | November 29, 2013 | Femtocell Networks                                   |
| 14.   | E10  | Rajeesh p         | December 6,2013   | Leap motion technology                               |
| 15.   | E6   | Ramya v           | December9 ,2013   | GI_FI  |
| 16.   | E3   | Binitha babu k    | December 13,2013  | E ball   |
| 17.   | N6   | Vijith P K        | December 18,2013  | Pico projector                                       |
| 18.   | E7   | Shikha M          | December 23,2013  | Project Loon   |
| 19.   | N4   | Vineesh A         | January 9,2014    | Cryptography and Network Security                    |
| 20.   | E9   | Vineeth P         | January 10,2014   | Solid State Drive                                    |
| 21.   | E4   | Binoy T M         | January 17,2014   | 5 pen technology                                     |
| 22.   |      | Krishna prasad    | January 20 2014   | Cloud networked robotics                             |
| 23.   |      | Anees MK          | January 21 2014   | Software defined network and open flow               |
